

(g) Fractional Shares. No fraction of a share of Parent Common Stock will be issued by virtue of the Merger, but in lieu thereof each former holder of shares of Company Stock who would otherwise be entitled to a fraction of a share of Parent Common Stock (after aggregating all fractional shares of Parent Common Stock that otherwise would be received by such holder) shall, upon surrender of such holder's Certificate(s), receive from Parent an amount of cash in dollars (rounded to the nearest whole cent), without interest, less the amount of any withholding taxes with respect to the shares represented by such certificate as contemplated by Section 2.11(b), which are required to be withheld with respect thereto, equal to the product of (i) such fraction, multiplied by (ii) the closing sale price of one share of Parent Common Stock as quoted on the Nasdaq Global Select Market for the trading day that is one trading day prior to the Closing Date.

(h) Adjustments to Exchange Ratio. The Exchange Ratio shall be adjusted to reflect appropriately the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Parent Common Stock or Company Stock), reorganization, recapitalization, reclassification or other like change with respect to Parent Common Stock or Company Stock occurring on or after the Effective Date and prior to the Effective Time.

2.7 Appraisal

(a) Notwithstanding any other provisions of this Agreement to the contrary, any shares of Company Stock held by a holder who has not effectively withdrawn or lost such holder's appraisal, dissenters' or similar rights for such shares under the DGCL or under Chapter 13 of the California Corporations Code ("California Law"), as applicable (collectively, the "Dissenting Shares"), shall not be converted into or represent a right to receive Parent Common Stock as set forth in Section 2.6 hereof, but the holder thereof shall only be entitled to such rights as are provided by DGCL and California Law.

(b) Notwithstanding the provisions of Section 2.7(a), if any holder of Dissenting Shares shall effectively withdraw or lose (through failure to perfect or otherwise) such holder's appraisal or dissenters' rights under the DGCL and California Law, as applicable, then, as of the later of the Effective Time and the occurrence of such event, such holder's shares shall automatically be converted into and represent only the right to receive the consideration for Company Stock, as applicable, set forth in Section 2.6, without interest thereon, upon surrender of the certificate representing such shares.

(c) The Company shall give Parent (i) prompt notice of any written demand for appraisal received by the Company pursuant to the applicable provisions of the DGCL or California Law, and (ii) the opportunity to participate in all negotiations and proceedings with respect to such demands. The Company shall not, except with the prior written consent of Parent, make any payment with respect to any such demands or offer to settle or settle any such demands. Notwithstanding the foregoing, to the extent that Parent, the Surviving Corporation or the Company makes any payment or payments in respect of any Dissenting Shares in excess of the consideration that otherwise would have been payable in respect of such shares in accordance with this Agreement ("Dissenting Share Payments"), Parent shall be entitled to recover the amount of such Dissenting Share Payments pursuant to ARTICLE 9 hereof.

2.8 Exchange of Certificates.

(a) Exchange Procedures. No later than promptly after the Effective Time, Parent shall mail to each holder of record of a certificate or certificates ("Certificates") that immediately prior to the Effective Time represented outstanding shares of Company Stock whose shares were converted into the right to receive shares of Parent Common Stock pursuant to Section 2.6(b), cash in lieu of any fractional shares pursuant to Section 2.6(g) and any dividends or other distributions pursuant to Section 2.8(b), (i) a letter of transmittal in customary form (which shall include a joinder provision pursuant to which the signatory thereto shall agree to be bound by the provisions set forth in ARTICLE 9 hereof) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for certificates representing shares of Parent Common Stock. Upon surrender of Certificates for cancellation to Parent together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may reasonably be required by Parent (including any required Form W-9 or Form W-8), the holders of such Certificates shall be entitled to receive in exchange therefor (x) certificates representing the number of whole shares of Parent Common Stock (after aggregating all Certificates surrendered by such holder) into which such holder is entitled pursuant to Section 2.6(b), less the number of shares of Parent Common Stock to be deposited in the Escrow Account pursuant to Section 2.9, (y) a check in the amount of dollars in lieu of fractional shares that such holders have the right to receive pursuant to Section 2.6(g) and (z) any dividends or distributions payable pursuant to Section 2.8(b), and the Certificates so surrendered shall forthwith be canceled. Until so surrendered, outstanding Certificates will be deemed from and after the Effective Time, for all corporate purposes, to evidence only the right to receive upon surrender thereof the number of whole shares of Parent Common Stock to which such holder is entitled pursuant to Section 2.6(b), an amount in cash in lieu of the issuance of any fractional shares in accordance with Section 2.6(g) and any dividends or distributions payable pursuant to Section 2.8(b). No interest will be paid or accrued on any cash payable in lieu of fractional shares of Parent Common Stock or on any unpaid dividends or distributions payable to holders of Certificates. In the event of a transfer of ownership of shares of Company Stock that is not registered in the transfer records of the Company, a certificate representing the proper number of shares of Parent Common Stock and cash payable in lieu of fractional shares may be issued to a transferee if the Certificate representing such shares of Company Stock is presented to Parent, accompanied by all documents required to evidence and effect such transfer and by evidence that any applicable stock transfer taxes have been paid.

(b) Distributions With Respect to Unexchanged Shares. No dividends or other distributions declared or made after the date hereof with respect to Parent Common Stock with a record date after the Effective Time will be paid to the holders of any unsurrendered Certificates with respect to the shares of Parent Common Stock represented thereby until the holders of record of such Certificates shall surrender such Certificates. Subject to applicable law, following surrender of any such Certificates, Parent shall deliver to the record holders thereof, without interest, (i) promptly after such surrender, the amount of any cash payable with respect to a fractional share of Parent Common Stock to which such holder is entitled pursuant to Section 2.6(g) and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to the whole shares of Parent Common Stock represented thereby, and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to surrender and a payment

date occurring after surrender, payable with respect to such whole shares of Parent Common Stock.

(c) Lost, Stolen or Destroyed Certificates. In the event that any Certificates shall have been lost, stolen or destroyed, Parent shall issue and pay in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the holder thereof, certificates representing the shares of Parent Common Stock into which the shares of Company Stock represented by such Certificates were converted pursuant to Section 2.6(b), cash for fractional shares, if any, as may be required pursuant to Section 2.6(g) and any dividends or distributions payable pursuant to Section 2.8(b).

(d) No Further Ownership Rights in Company Stock. All shares of Parent Common Stock, cash in lieu of fractional shares of Parent Common Stock and dividends or other distributions with respect to Parent Common Stock issued in accordance with the terms hereof shall be deemed to have been issued in full satisfaction of all rights pertaining to such shares of Company Stock, and there shall be no further registration of transfers on the records of the Surviving Corporation of shares of Company Stock that were outstanding immediately prior to the Effective Time. If after the Effective Time Certificates are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this ARTICLE 2.

(e) Liability. Notwithstanding anything to the contrary in this Section 2.8, neither Parent, the Company, the Surviving Corporation nor any party hereto shall be liable to a holder of shares of Company Stock for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

2.9 Escrow Account.

(a) Subject to Section 2.9(b), at the Closing, Parent shall deliver, and the Company Stockholders shall be deemed to have received and deposited, a certificate or certificates representing twelve and one-half percent (12.5%) of the Aggregate Share Consideration issuable in the Merger in respect of all shares of Company Stock pursuant to Section 2.6(b) (the "Escrow Shares") to a non-interest bearing escrow account (the "Escrow Account") to be established by Parent with an escrow agent to be designated by Parent and approved by the Company prior to the Closing (the "Escrow Agent"), to be held by the Escrow Agent pursuant to the terms of an escrow agreement, in substantially the form attached hereto as Exhibit D together with such other modifications as shall be required by the Escrow Agent that are reasonably satisfactory to Parent and the Stockholders Agent (the "Escrow Agreement"). Each Company Stockholder shall be deemed to have deposited into the Escrow Account such Company Stockholder's Pro Rata Share of the Escrow Shares, and such shares shall be deducted from the shares of Parent Common Stock otherwise issuable to each such Company Stockholder pursuant to Section 2.6. Such Escrow Shares shall provide security for the satisfaction of claims for indemnification made by the Parent Indemnified Parties pursuant to ARTICLE 9 (subject to the exceptions set forth in Section 9.6). Any fees and expenses of the Escrow Agent shall be paid by Parent. The Escrow Shares shall be retained in the Escrow Account until released pursuant to this Section 2.9 or Section 9.3. During the period in which the Escrow Shares are retained in the Escrow Account, they will be held for the benefit of the Company Stockholders

(and the Company Stockholders shall be entitled to receive cash dividends on, and vote, such shares of Parent Common Stock), unless and until and to the extent it has been determined that any Parent Indemnified Party is entitled to retain any of the Escrow Shares in respect of indemnification claims pursuant to ARTICLE 9. In the event that a Company Stockholder holds Restricted Stock at the Effective Time, then the shares of Parent Common Stock to be issued in the Merger in respect of such Company Stockholder's shares of Company Stock which are not Restricted Stock shall be withheld and deposited in Escrow Account first and, thereafter, any shares of Parent Common Stock to be issued in the Merger in respect of such Company Stockholder's Restricted Stock shall be withheld and deposited in escrow to the extent necessary to satisfy such Company Stockholder's escrow deposit obligations in this Section 2.9 (it being understood and hereby agreed that any Escrow Shares so deposited in escrow which are restricted shall vest prior to any restricted shares of Parent Common Stock held by such Company Stockholder that are not so deposited in escrow). The release of any Escrow Shares in satisfaction of any indemnification obligations under ARTICLE 9 shall be made, with respect to each Company Stockholder, first with any Escrow Shares then being held in Escrow Account that are not restricted and then, if such Escrow Shares are insufficient to satisfy such indemnification obligation and only to the extent of such insufficiency, with Escrow Shares that are restricted. In the event that a Person holds Assumed Company Options and/or Assumed Company RSUs at the Effective Time, then a portion of the Company Stock issued upon the exercise thereof shall be withheld and deposited in the Escrow Account to the extent necessary to satisfy such holder's escrow deposit obligations as a Company Stockholder set forth in this Section 2.9.

(b) ~~Within two (2) Business Days~~ following the one-year anniversary of the Closing (the "Initial Escrow Release Date"), Parent and the Stockholders Agent shall each instruct the Escrow Agent in writing to take the following actions:

(i) The Escrow Agent shall be instructed to retain aggregate Escrow Shares with a value (valuing such Escrow Shares at the Parent Closing Price) that is equal to the sum of the aggregate Outstanding Claims at such time, if any (or such lesser amount of Escrow Shares as shall be remaining in the Escrow Account at such time) (collectively, the "Retained Escrow Consideration").

(ii) With respect to the Escrow Shares, if any, that are in excess of the Retained Escrow Consideration, the Escrow Agent shall be instructed to promptly (and, in any event, no later than two (2) Business Days after delivery of such instructions) deliver all of such Escrow Shares to the Company Stockholders in proportion to their respective Pro Rata Shares.

(c) In the event and to the extent that after the Initial Escrow Release Date (i) any Outstanding Claim, a Notice of Claim for which was delivered prior to the Initial Escrow Release Date, is resolved against the relevant Parent Indemnified Party(ies) (such amount, a "Company Favorable Outcome") and (ii) the value of the Retained Escrow Consideration (valuing such Escrow Shares at the Parent Closing Price) exceeds the aggregate Outstanding Claims at such time, after giving effect to such Company Favorable Outcome (such excess, if any, the "Retained Escrow Excess"), each of Parent and the Stockholders Agent shall promptly instruct the Escrow Agent in writing to forthwith promptly (and, in any event, no later than two

(2) Business Days after delivery of such instructions) distribute all of such Retained Escrow Excess to the Company Stockholders in proportion to their respective Pro Rata Shares.

(d) In the event and to the extent that after the Initial Escrow Release Date any Outstanding Claim, a Notice of Claim for which was delivered prior to the Initial Escrow Release Date, is resolved in favor of the relevant Parent Indemnified Party(ies), each of Parent and the Stockholders Agent shall promptly instruct the Escrow Agent in writing to promptly (and, in any event, no later than two (2) Business Days after delivery of such instructions) deliver Retained Escrow Consideration to such Parent Indemnified Party(ies) in the manner set forth in Section 9.4.

2.10 Adjustment Provisions.

(a) No later than fifteen (15) Business Days following the one-year anniversary of the Closing, Parent shall prepare and deliver to the Stockholders Agent a statement (the "Purchase Price Adjustment Statement") setting forth the Adjusted Exchange Ratio, calculated as set forth below. Parent shall make available to the Stockholders Agent all relevant books and records relating to the Purchase Price Adjustment Statement upon reasonable prior request. For purposes of this Section 2.10:

"Adjusted Exchange Ratio" means the quotient obtained by dividing (x) the Aggregate Share Consideration, by (y) the Adjusted Total Outstanding Shares.

"Adjusted Total Outstanding Shares" means (x) the Total Outstanding Shares, minus (y) all Forfeited Shares.

"Forfeited Shares" means the sum of (x) all shares of Restricted Stock that were outstanding immediately prior to the Effective Time that (i) prior to the one year anniversary of the Closing Date were forfeited to the Company following the termination of the relevant holder's employment, and (ii) were not Escrow Shares or, if they were Escrow Shares, would have been released from the Escrow Account to the relevant holder on the one-year anniversary of the Closing Date, plus (y) all Company Options and Company RSUs that were outstanding immediately prior to the Effective Time and that were terminated (and not exercised) before the one-year anniversary of the Closing Date.

(b) If the Adjusted Exchange Ratio is greater than the original Exchange Ratio, then (i) Parent shall, as promptly as practicable, issue an additional number of shares of Parent Common Stock with respect to each share of Company Stock that was outstanding immediately prior to the Effective Time to the holders thereof at such Effective Time equal in amount to (x) the number of shares of Parent Common Stock that would have been issuable at the Effective Time with respect to such share of Company Stock if the Exchange Ratio had been equal to the Adjusted Exchange Ratio, minus (y) the number of shares of Parent Common Stock issued at the Effective Time (and including any fractional shares in lieu of which cash was issued pursuant to Section 2.6(g) with respect to such share of Company Stock) with respect to such share of Company Stock, (ii) the number of shares of Parent Common Stock issuable pursuant to each Assumed Company Option and Assumed Company RSU shall be adjusted to equal that number that it would have equaled if the Exchange Ratio had been equal to the Adjusted

Exchange Ratio, and (iii) Parent shall issue to each holder of an Assumed Company Option and an Assumed Company RSU as of the Effective Time who exercised such Assumed Company Option or whose Assumed Company RSU vested, as the case may be, prior to the effective time of such adjustment a number of shares of Parent Common Stock equal in amount to (A) the number of shares of Parent Common Stock that would have been issuable upon such prior exercise of such Assumed Company Option or the vesting of such Assumed Company RSU, as the case may be, had the number of shares of Parent Common Stock issuable upon such exercise or vesting event been calculated after giving effect to the adjustment provided in clause (ii) of this Section 2.10(b), minus (B) the number of shares of Parent Common Stock previously issued upon such exercise or vesting event. Any shares of Parent Common Stock issued pursuant to this clause (iii) shall be subject to the same forfeiture, transfer and repurchase provisions that are applicable to the shares of Parent Common Stock issued at the relevant time of exercise. No fraction of a share of Parent Common Stock will be issued pursuant to this Section 2.10 and in lieu thereof, a cash payment shall be made using the methodology set forth in Section 2.6(g).

2.11 Tax Consequences and Withholding.

(a) Consequences. It is intended by the parties hereto that the Merger shall constitute a "reorganization" within the meaning of Section 368(a) of the Code and that the exchange of Company Stock for the Aggregate Share Consideration pursuant to Section 2.6 shall be treated as an exchange described in Section 354(a) of the Code. The parties hereto shall comply with all tax filing requirements under Sections 368 and 354 of the Code and shall not make any tax filing that is inconsistent with the foregoing intent. The parties hereto adopt this Agreement as a "plan of reorganization" within the meaning of Treasury Regulation Section 1.368-2(g) and Proposed Treasury Regulation Section 1.368-3(a).

(b) Withholding. Each of Parent and the Surviving Corporation shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable pursuant to this Agreement to any former Company Stockholder, holder of Company Warrants, or holder of Company Options such amounts as may be required to be deducted or withheld therefrom under the Code or under any provision of state, local or foreign tax law or under any other applicable law. To the extent such amounts are so deducted and withheld, such amounts shall be treated for all purposes under this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made.

2.12 Further Assurances. If, at any time before or after the Effective Time, the Company or Parent reasonably believes or is advised that any further instruments, deeds, assignments or assurances are reasonably necessary or desirable to consummate the Merger or to carry out the purposes and intent of this Agreement at or after the Effective Time, then the Company, Parent, the Surviving Corporation and their respective officers and directors shall execute and deliver all such proper deeds, assignments, instruments and assurances and do all other things reasonably necessary or desirable to consummate the Merger and to carry out the purposes and intent of this Agreement.

The Company is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except as would not have a Company Material Adverse Effect. Section 3.1(a) of the Company Disclosure Schedule lists every state or foreign jurisdiction in which the Company has Employees or facilities or otherwise has conducted its business since inception. Section 3.1(a) of the Company Disclosure Schedule lists the directors and officers of the Company as of the Effective Date.

Such Certificate of Incorporation and bylaws are in full force and effect, and no other organizational documents are applicable to or binding upon the Company. None of such Certificate of Incorporation or bylaws restricts or limits the ability of the holders of Company Stock to act by written consent in lieu of a meeting.

Except as set forth above, no shares of voting or non-voting capital stock, other Equity Interests, or other voting securities of the Company are issued, reserved for issuance or outstanding. There are no outstanding obligations of the Company (contingent or otherwise) to repurchase, redeem or otherwise acquire any shares of capital stock (or options or warrants to acquire any such shares) or other Equity Interests of the Company. There are no stock-appreciation rights, stock-based performance units, "phantom" stock rights or other Contracts or obligations of any character (contingent or otherwise) pursuant to which any Person is or may be entitled to receive any payment or other value based on the revenues, earnings or financial performance, stock price performance or other attribute of the Company or any of its businesses, assets, rights or properties or calculated in accordance therewith (other than ordinary course payments or commissions to sales representatives of the Company based upon revenues generated by them without augmentation as a result of the transactions contemplated hereby) (collectively, "Stock-Based Rights") or to cause the Company to file a registration statement under the Securities Act, or which otherwise relate to the registration of any securities of the Company. There are no voting trusts, proxies or other Contracts of any character to which the Company or, to the Knowledge (as defined herein) of the Company, any of the Company Stockholders is a party or by which any of them is bound with respect to the issuance, holding, acquisition, voting or disposition of any shares of capital stock or similar interests of the Company.

bylaws (the "Requisite Stockholder Vote"). Upon receipt of the Stockholder Consents, no further vote of the holders of any class or series of the capital stock of the Company is necessary to adopt this Agreement and approve the Merger. Each of this Agreement and each other Transaction Agreement to which the Company is a party has been duly and validly executed and delivered by the Company and, assuming the due authorization, execution and delivery thereof by Parent and Merger Sub, constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing.

3.5 No Conflict; Required Filings and Consents.

The Financial Statements were prepared in accordance with United States generally accepted accounting principles ("GAAP"), except for the absence of footnote disclosure, applied on a consistent basis throughout the periods involved and fairly present, in all material respects, the consolidated financial position of the Company as at the respective dates thereof and the consolidated results of its operations and cash flows for the periods indicated.
